to furnish ~~the~~ information regarding the number of persons visiting the Chattram called for in serial 2. It is not therefore clear why he has failed to do so. May he requested to do so once again? As the number of persons fed in the Chattram is 600 per month. This means on an average 20 persons are fed in it every day. The Muzrai Comm. states that the work in the Chattram is beyond the capacity of a single individual. But there is nothing in his latest communication to prove this. The Agent of the Chattram states that as theft is rife in Benares, it is necessary to have a watchman to watch the building at night. The existing peon may perhaps be willing to undertake this task if he is given an allowance of Rs 2 or Rs 3 ^{per month} in addition to his pay. Or in the alternative a night watchman may be available for a pay of Rs 7 per mensem. view of what the Agent states in his communication, it is a point for order whether there is any necessity for a full time

No useful purpose seems to be served by giving a small allowance to the existing servant or employing a night watchman as his services will not be available for general purposes of the Chattram. The entertainment of an additional peon on Rs. 10/- per mensem is therefore necessary and may be sanctioned as already recommended.

It is seen from the scale of expenditure of the Chattram at Benares that besides a peon on Rs 12/- there are a sweeper, kotwal and Chamali.

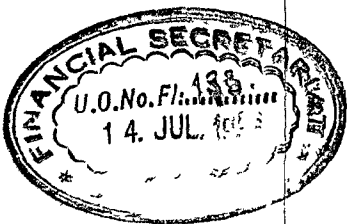

18 As the Muzrai Commissioner says that no rent is realised now, it is not desirable to add to the existing level of expenditure.

19 With the existing menial staff, it should not be impossible to arrange for the proper watch and ward etc. of the Chattram.

OFFICE OF THE MUZRAI COMMISSIONER,

Dated, Bangalore, 12th March 1936.

FROM

Muzrai Commissioner in Mysore

To

M. Venkatesa Iyengar, Esq., M.A.,
Secretary to the Government of His Highness
the Maharaja of Mysore,
.....General.....Department.

SIR,

Re. the entertainment of an additional peon to
look after the Mysore Government Chat-
tram properties at
Benares.

I have the honor to forward herewith reports Nos.97 dated 22nd October 1935 and 121/35-36 dated 27th January 1936 from the Agent of the Mysore Government Chattram at Benares, requesting sanction for the entertainment of an additional peon to look after the extensive Chattram and its properties. The Chattram buildings have been considerably extended in recent years and they have been fully equipped also. In the sanctioned scale of expenditure (printed copy enclosed) there is provision for a peon on Rs 12 per mensem. In view of the numerous visitors that resort to the Chattram nowadays and of the necessity to keep the premises neat and tidy in addition to its watch and ward all through the day and night, the Agent has been repeatedly urging that the work is beyond the capacity of a single individual and that the appointment of an additional peon may be sanctioned. There seems to be real need for an additional peon in view of what is represented by the Agent. I request therefore, that sanction of Government may kindly be obtained for the appointment of a peon on Rs 10 per mensem, the extra cost involved being met from the Chattram Savings Fund.

I have the honor to be,
Sir,
Your most obedient servant,

K. Anantaraman
Muzrai Commissioner.

SIR,

Entertainment of an additional peon for the Benares
Chattram.

Referring to correspondence ending with your letter No. 140/MZ. 318-35-4 dated 24th July 1936 re. the above, I have the honor to forward herewith in original report No. 111/35-30 dated 19-12-1935 from the Agent, Benares, furnishing details about the duties of Kotwal and Chamali. The Kotwal who is paid only Rs. 2 per mensem has to attend to various items of work and he cannot, therefore, be expected to keep watch and ward of the Chattram. Similarly, the Chamali i.e., the Jadmali, as he has to sweep and keep clean the outer precincts of the Chattram only and not enter it. As to how the work is beyond the capacity of one servant has already been explained in my previous communications.

In this connection, I invite kind reference to the penultimate para of the report dated 8-9-1933 submitted by Mr. N. Lakshminarayanan, Executive Engineer, wherein he has opined that it will be necessary to employ one servant on Rs. 9 or Rs. 10 per mensem for looking after the premises and cleaning the same.

In these circumstances, I request that sanction of Government for the appointment of an additional peon on a pay of Rs. 10 per month may kindly be obtained.
